MAIN STRATEGIC OBSERVATION

The account functions more as a product showcase than as a storytelling tool

IMPROVE

Stronger storytelling

More engagement & interaction

Clearer profile structure

1 STORYTELLING

Cutting process
Quality control
Sustainability in action
Educational content

2

Clear profile picture
Structured highlights
Simplified links
Consistent English

OPTIMIZATION

3

Story polls
Q&A
Client collaborations
Active comment interaction

EXAMPLE

EXAMPLES

Builds emotional connection and establishes heritage, credibility and long-term trust.

Visually satisfying transformation content that highlights craftsmanship and expertise.

Expands reach through partnerships and shows real-world application.

EXAMPLES

Builds trust by showing professionalism and attention to detail.

Creates excitement, exclusivity and insider access.

Positions the brand as culturally aware, educational and strategically differentiated.

EXAMPLES

Reinforces authority and technical knowledge in gemology.

Educates the audience while sparking curiosity about design and precision.

Conveys exclusivity and luxury while creating anticipation.

CONCLU

SION

Increase engagement through storytelling

Strengthen brand identity and authority

Build emotional connection

Highlight craftsmanship and transparency

Position the brand beyond simple product display
